A: You should be able to use a regex to find lines that begin with "HD Online Player (video comparer 1 06 keygen 26)". For example: `$content = preg_replace('~^HD Online Player (video comparer 1 06 keygen 26)~', '', $content);` `A: $content = explode(" ", preg_replace('/HD Online Player\s+\s*(\s*(video\s+comparer\s+1\s+06\s+keygen\s+26))\s*/', '', $content));` results in this: `Array ( [0] => HD Online Player (video comparer 1 06 keygen 26). HD Online Player (video comparer 1 06 keygen 26). [1] => HD Online Player (video comparer 1 06 keygen 26). )` Edit: If you're also wanting to grab the comment before the code, you can do this: `$content = preg_replace('/HD Online Player\s+\s*(\s*(video\s+comparer\s+1\s+06\s+keygen\s+26))\s*/', '', $content);` `$content = explode(" ", preg_replace('/(HD Online Player)\s+(\s*(video\s+comparer\s+1\s+06\s+keygen\s+26))\s*/', '', $content));` News Broken Soil Found All Over - And Many More Solutions When we work on the lawn, it is normal for us to check whether the soil is broken and if it is broken, we will have to use a tool to amend the soil in order to make it smoother. However, what if we can no longer use the tool because it has been broken and lost? Well, this is not something we can forget, and this is why it is important for us to keep a close check on the tools that we are using. However, if we feel that our tools have been broken, we will surely feel guilty because we know that we have been using them to work on the lawn. It is indeed a shame when we lose something because of our negligence. But, it is not too late for you to rectify this and 2d92ce491b
